ARBITRATION PLACE

Borders are not barriers for us, so leave your passport at home.

With over 700 successful virtual matters behind us, we know what it takes to conduct a successful virtual proceeding.

For hybrid proceedings, our physical facilities and video technology are state-of-the-art.

Through our International Arbitration Centre Alliance, you and your clients have the option to attend at the leading arbitration centres in London and Singapore.

We are independent. We are not aligned to any party or to any institution.

Our only vested interest is your interest.

FAIR, TIMELY & COST-EFFECTIVE DECISIONS

We have extensive experience as arbitrators in high stakes international and non-international disputes in various fields. Whether the proceedings are administered or *ad-hoc*, we are focused on serving in the role of chair, panel member, or sole arbitrator in a manner that leads to a just and enforceable decision.

Over numerous years, we have been appointed by the Court, mutually by counsel or the parties, or as party nominees to decide cases in a variety of industries including energy, construction, and real estate.

JML

When it comes to complex
construction issues,
it helps to have experience on
your side.

Serving the industry since 1994, our lawyers provide a broad range of services, including mid and post-project dispute resolution advocacy and advice concerning complex construction claims.
